Brian Childs

Senior Vice President
and General Manager,
Channel

Brian Childs is the Senior Vice President and General Manager for TE Connectivity's (TE's) Channel Business Unit. In this role, Brian is focused on improving market share and customer reach by strengthening relationships and accelerating targeted customer growth with TE's global distributor network.

Prior to joining TE, Brian held various positions at Kohler Company. Most recently, he developed and scaled a new direct-to-consumer services business model, driving growth through direct and digital selling channels. In prior roles, Brian led large, cross-functional teams with responsibility for global supply chains, category management, distributor support, and customer contact centers.

As a board member for the Sheboygan Senior Community, Brian enjoyed giving his expertise and experience to further drive the growth and success of this important non-profit.

An avid car and motorcycle enthusiast, Brian puts his driving skills to the test at racetracks in the U.S. and Europe. He also enjoys rebuilding and riding vintage motorcycles.

Brian earned his MBA from Jacksonville University and Bachelor of Business Administration from the University of Central Florida.
